Spring is in Bloom!

With the warmer weather creeping in, so are those nasty pests! Warmer weather produces an abundance of ants, spiders and yellow jackets to name a few. Make sure you are ready to fight the heat and those pests.

Enclosed are a few easy but helpful tips to get started:

- ✓ Make sure to pick up all pet dishes daily
- ✓ Make sure all garbage is put into designated containers
- ✓ Avoid placing garbage cans, recycle bins & debris against the home
- ✓ Thoroughly wipe up any spills and crumbs
- ✓ Keep weeds in the yard trimmed back
- ✓ Do not stack firewood against the home

We know things have been challenging during this economic hard time and we are grateful for your continued support. We understand you have a choice in selecting a pest control firm and appreciate you electing us as your pest control management team. Mrs. Bugfree has always strived to do our best in providing you in all aspects of your pest control needs.

For those who are interested, you can now pay for your pest control service, 1 year in advance. This payment will also include the \$3 discount given to each prepaid service.

We will be accepting Visa and MasterCard for payments made IN FULL for 1 years service.

Did you know?
we provide the following

◆ Tree Spraying

-*Pine/Elm (Apr.-May):* Repel beetles from boring into tree trunks contributing to the decline and eventual death of trees.

◆ Rodent Control

- Rats:* Exclusion-sealing up entry points and setting of snap traps.
- Wbe:* Setting tamper proof bait stations
- Gophers:* Baiting in turf area(s) (3-6 months)
- Moles:* Grub treatment

Mrs. Greenlawn

"the greener than green lawn"

Some people who bring you Mrs. Bugfree, bring you Mrs. Greenlawn.

- Giving your lawn a slower, more steady supply of food to grass plants without shocking them into overdrive.
- Results are a thicker, naturally green lawn that requires less maintenance, pesticides & herbicides.
